

## MRFD ACQUIRES QUINT (3/11)

Stay tuned to see with MRFD # and color. Details & photos below.

Chief Colwell's QUINT UPDATE: The quint is having lettering, hoses, radios, etc. added to it, then we will start training troops to operate. Imagine: yellow stripes instead of white and MISSOULA RURAL FIRE DISTRICT on the boom, the number 328 on the panels behind the doors and our MRFD Mountain Fire-Rescue LOGO on the cab doors. So check back for more photos here!
